A NOTE FROM DESTINY

Thank you for volunteering your time and efforts to create a better Indiana for your friends, family, and neighbors.

Here at #TeamWells, we are building something that will ensure that Indiana becomes a state that is run with integrity and a laser focus on upholding the rights of all Hoosiers.

When we look back, I'm confident that we will have built something that means as much to future generations as it does to us, and all of our lives will be better for it. We have a rare opportunity. Let's make the most of it together.

In the following pages, you'll find out more about the campaign, our goals, and the tools and resources we've compiled to help you introduce us to your circle. Should you need any other assistance, please let us know.

Again, thank you for being a part of #TeamWells!

Destiny Wells

Why I'm running

I'm running for Indiana Attorney General because I believe in a fair, just, and transparent legal system that works for all Hoosiers. With my experience as a deputy AG and my service as a military veteran, I'm uniquely qualified to restore integrity and trust in the Attorney General's office. I'm committed to protecting the rights of every Indiana resident and ensuring that the law serves the people, not political interests. Join me in this mission to bring accountable and principled leadership to Indiana. Let's work together to make a difference.

How we'll win

Indiana isn't a Blue State. It isn't a Red State. We're a purple state with a turnout problem. We only need to expand our base vote by 8-10% while winning 55% of Independent voters. My experiences growing up in rural Indiana and serving in the military resonates with the experiences of Hoosiers across the state.

I will win this race because I have the support of passionate Hoosiers like you who are ready for a change. With my proven experience and commitment to justice, I'm prepared to take on Todd Rokita and bring accountable, principled leadership to Indiana. Our campaign is built on unity, dedication, and a shared vision for a better future. Together, we will overcome the challenges and make a real difference for our state. Let's bring integrity back to the Attorney General's office.

THE DETAILS

What am I getting myself into?: Really, it's any event that is hosted by an individual, group, or organization in the community with proceeds benefiting the Wells for Indiana campaign. It's also a fun way to share your passion with people in your life. Your event can be as simple or elaborate as you'd like – it's your choice!

Why host a fundraiser?: Every campaign needs help. We need friends who agree with what we're doing, and who want to help create a better Indiana. We need people to spread the word, encourage email signups, ask their friends to donate, and to keep Destiny in people's minds

Your role as host:

- Email us at deidre@wellsforindiana.com so we can reach out.
- Design your event.
- Invite your friends, family, or community.
- Have fun!

Support from the Campaign:

- Consultation and support with event planning questions.
- Review scheduling options so Destiny can attend
- Provide and approve use of the logo.
- Help in creating a [supporter form](#) to accept donations.

...BUT WHAT DO I DO?

GREAT question!

The most successful events are hosted in your home, with people you believe would be a Destiny supporter if they had more information or a chance to speak with her?

Who do you know that:

- Cares about democracy?
- Worries about the state of our state?
- Has expressed frustration about SB1?
- Cares about equality?

You just started your guest list!

The rest of the event is up to you. Your event can be a meet and greet or have Destiny say a few words, it's your event!

You can serve dinner, or have a cookout, or plan it for a time where you don't have to include food.

Your event, your choice.

FAQ/NEXT STEPS

Are there limits to how the campaign can support my event?

Yes. Some limits are due to campaign finance rules, best practices, and our unfortunate inability to clone Destiny. Here are some of the things we can't do:

- Reimburse or cover the cost of your event.
- Provide insurance or liability coverage.
- Guarantee attendance of Destiny if an event is scheduled without our input.

Does the campaign have to approve my event?

Technically, no, but we'd love to know about it, to help you be successful, provide resources, make sure that we are following best practices, and avoid potential issues. We also can't be there if we don't know about it.

How to get started?

Email deidre@wellsforindiana.com and we'll get back to you ASAP!
